

The times they are a changing!!

New Life Church is a church on the move.

New venue

New time

New Life is “The Church @ 4”.

After 12 years of meeting in the Ryefield Centre, New Life Church is moving to the Christ Church building on Edde Cross Street from July 4th.

But they are not only changing where they meet but also changing the time when they meet.

Today's society is also changing. Sunday morning has become another time to work, to go shopping, to play football and even have a lie in at the end of a long week.

Are you busy on a Sunday morning? Working? Cooking lunch for the family? Welcoming visitors? Do your children have activities? Do you find it difficult to get organised first thing in the morning?

Well this could be for you! An opportunity to check out a church that meets in the afternoon. “The Church @ 4”. The meetings for worship, prayer and teaching will start at 4pm every Sunday afternoon. Facilities for crèche and young children will be provided.

Members of New Life Church invite you to their opening service on Sunday July 4th at 4pm in the Christ Church building on Edde Cross Street, Ross with speaker Tony Howson , founder of New Day International. Come and experience a fresh taste of Church where you will find warmth, truth, Bible based teaching, Spirit led worship, fun, freedom, fellowship and a real sense of family.

Stay and enjoy the refreshments afterwards.

This is a Church that is moving with the times. Come and see for yourself !
